Further accessories for Hammersmith MultiTool

Replacement battery

- 18V lithium-ion battery pack with battery level indicator

Jigsaw attachment

- Ideal for working with wood, metal or plastic

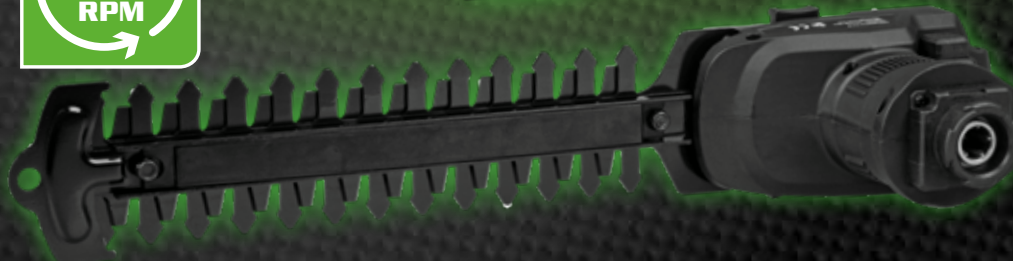

Circular saw attachment

- Quite simply precise and exact cut

Hedge and grass trimmer attachment set

- Ideal for flexible use in your garden

PRODUKTBESCHREIBUNG

Hammersmith MultiTool - 1 Battery - 1 Motor block - 1000 Possibilities!

No more tool chaos with the 58-piece Hammersmith MultiTool Set incl. hard-shell storage case. With just one battery, motor block and the respective tool attachment, you can drill, screw, cut, sand or scrape. Change the desired attachment effortlessly, quickly and simply by clicking in and out and see for yourself the wide range of applications. The 18V lithium-ion battery with battery level indicator is fully charged in 45 minutes thanks to the supplied quick-charging station and is therefore always ready for use. The drill and screw attachment has 19 torque settings and two selectable speed levels. The „Cobra“ bit holder allows screws to be driven in and out at any angle and the oscillating attachment guarantees safe, precise and accurate cuts. Hammersmith MultiTool is multifunctional and ideal for wood, plastic or even metal work. The ergonomic handle allows effortless work and ensures safe & easy handling.
