## PRODUCT DESCRIPTION

### Hammersmith Rayzer Shovel - The ultimate all-in-one spade for your garden

This versatile tool was specially developed for universal use in your garden and is your faithful companion for all gardening tasks. With an integrated root saw on both sides and a sharpened V-blade, cutting through soil and roots is child's play. Punching into the ground becomes effortless thanks to this function. You will complete all tasks easily and with more efficiency. Our spade is not only powerful, but also extremely robust and durable, thanks to the high-quality carbon steel spade blade. The extra-wide tread ensures a secure step and optimal power transmission, while the ergonomic O-shaped soft-touch handle with four times more gripping surface ensures maximum comfort. Say goodbye to tedious gardening and hot summer hours. This all-in-one spade makes tending your garden a pleasure.
